

## Our Scouts are working to earn their own way to Scout Summer Camp, High Adventure, and other exciting trips!

Mason Troop 750 has 60 Scouts in the Troop. Since our inception in 1999, 38 Scouts have achieved the Eagle Scout rank and an additional 2 have completed their Eagle Scout Projects. The Eagle Scout Award is the most significant

accomplishment a Scout can achieve. This great award has special value in our society because of the accomplishments and leadership skills that past Eagles have demonstrated in their adult lives. Besides the tremendous Eagle Scout achievements, Troop 750 Scouts have completed multiple service projects with local Churches, Schools, and Civic Organizations.

The Scouts of Troop 750 are serious about their training and commitment to fulfill requirements in the areas of Leadership, Service, and Advancement Skills.

**Leadership:** This year two Scouts attended National Youth Leader Training as leaders at the Baden-Powell National Youth Leader Training Conference at Camp Michael for one week of intense leadership training.

**Service:** Troop 750 has completed numerous service projects locally, supporting our community by developing study areas for Mason Schools, adding signage and plants to the Miami Bike Trail, executing multiple Eagle and improvement projects at the Fort Ancient State Historical Site, and two service projects at Pine Hill Park this year.

**Advancement Skills:** Scouts attend monthly campouts to learn and practice their outdoor survival skills, work toward advancement, expand their knowledge of ecology, and appreciate the beauty of God's work.

These young men practice the Scout Law ("A scout is Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean, and Reverent."). Weekly meetings and monthly campouts use exciting activities to reinforce these behaviors

### What We Have Achieved:

Twenty three scouts and eight adults headed to the Blue Ridge Mountain Scout Reservation in Virginia this past summer. One group of scouts worked on merit badges, another participated in the high adventure Mountain Man program and a third group participated in the New River Adventure. Scouts from Troop 750 were featured in three episodes of the Outdoor Channel's Scouting for Adventure program.

### Where We Are Going:

This summer the troop is headed to summer camp at Friedlander here in Cincinnati. Another group of 29 scouts and scouters is heading to the Florida Keys to participate in the Boy Scout high adventure program at the Florida Sea Base Scout facility.
